### **DIGITAL ETHICS AGREEMENT:**

Sponsoring teachers and students are responsible for adhering to the following digital ethics agreement.

1) Sound files **may not be manipulated or enhanced** in any way. Record in a traditional rehearsal space. The space should not be too “live” (like a cathedral) or too “dead” (like a carpeted room with a low ceiling) to avoid the impression of an enhanced recording. If the recording is determined to have been altered, the student will be ineligible for participation. The ACDA Executive Committee decision will be final.

2) The **sponsoring teacher must be in the room** when the audition is recorded. If there are multiple teachers in a school/program, this may be delegated to a member of the team.
